Smart TV Link

Start streaming to your Smart TV

Overview

Start streaming to your Smart TV
Bring Wi-Fi to your Internet-ready Smart TV —and get connected to movies, TV episodes, and music from your favorite online services.
It's easy.
Connect to your Wi-Fi network through your router's wireless signal. Mount the universal adapter to the back of your Smart TV and connect it to your TV's WLAN port, and you're ready to start streaming. It's that easy.
Dual Band Performance
Dual-band Wi-Fi eliminates interference, providing greater signal quality for fully optimized 3D and HD video streaming.
A Better Solution
The Universal Wireless Smart TV Link provides a more powerful signal than USB dongles for HD video streaming. By keeping Internet connectivity strong, the Adapter ensures that your online content is transferred with the highest fidelity possible.
Universal
Works with all Internet-ready HDTVs
