Power your laptop

Belkin's Laptop Power Adapter for travel is a perfect replacement or addition to your laptop power adapter. You can use it in your home, office, in the car, or anywhere. With interchangeable tips, it is guaranteed to be compatible with all PC-based laptops with monitors under 17 inches. If the right tip for your laptop is not in the box, we will send you your first tip free.

The built-in USB port allows you to charge your iPod/MP3 player and cell phone simultaneously while you power your laptop.

The built-in cord management allows you to keep your power supply neat and organized.

For Dell® laptops: This product will power a Dell laptop, but will not charge a Dell laptop battery.

\$100,000 Connected Equipment Warranty:

We will repair or replace any equipment damaged by a surge, spike, or lightning strike while properly connected to our power supply, up to the maximum value stated on the package.

Package Includes:

- Laptop Power Adapter
- Laptop tips
- User manual
- Tip connection guide
