

BELKIN
PROStrip™
 General Purpose Grade

This product is not a surge protector.
 To protect sensitive electronic devices from damaging AC power disturbances, use a Belkin **SURGEPro™**. Choose a **SURGEPro** with telephone or coaxial cable line protection to protect devices such as a modem or audio/video equipment. The colour-coded chart below will help you select the type of surge protection that best suits your needs.

Select the right Belkin **SURGEPro™** for you.
