Laadt de batterijen niet op	El cable de alimentación portátil incluido mantiene encendido su TuneCast II mientras conduce, sin necesidad de cargar la batería	Il cordone di alimentazione mobile incluso alimenta il TuneCast II durante la guida. Non ricarica le batterie

Now you can use your portable DVD, PDA, MP3, CD, cassette player, PC, or laptop to listen to your favorite tunes through any FM stereo receiver. The Belkin TuneCast II Mobile FM Transmitter wirelessly connects portable music players to your car or home stereo quickly and easily. Just plug the TuneCast II into the headphone jack of your portable DVD, PDA, MP3, CD, or cassette player; or connect it to your PC or laptop computer. Tune your car stereo or receiver to any clear FM frequency, and enjoy your music experience with more sound and fewer wires.

We add a great convenience feature with our unique Auto ON/OFF function. It frees you from having to manually toggle your TuneCast II's ON/OFF switch by simply powering on when an audio signal is detected. If no signal is detected for a period of 60 seconds, your TuneCast II switches off. This innovation preserves battery life while making your outstanding mobile audio experience simpler to enjoy.

* Includes 2 AAA batteries.

** Includes a 14-inch (35 cm) cable that delivers power when used with the Belkin Auto Power Cord for iPod (part number F8V7067eaAPL).

*** Includes Mobile Power Cord that powers your TuneCast II.
