The Belkin Voice Recorder presents a great solution for iPod users who have something memorable to say. Now you can record memos, lectures, interviews, or conversations—simply by plugging the Voice Recorder into your iPod. The iPod device's abundant storage capacity lets you store hundreds of hours of high-quality audio.

Easily review audio notes using the built-in speaker, earbud headphones, or your computer.

You can also copy recordings to your desktop or notebook computer for storage, editing, or sending to others via email. The Voice Recorder also works as a travel alarm clock. The Belkin Voice Recorder brings a whole new dimension to your iPod—it's not just for tunes anymore!

NOTE: • iPod software version 2.1 or later REQUIRED
• iPod creates audio files in mono (true) WAV format
