

MICRA**DIGITAL**

Hi-Speed USB 2.0 4-Port Hub

MICRADIGITAL

Hi-Speed USB 2.0 4-Port Hub

This 4-Port Hub is easy to install and operate. Simply connect the attached cable on the Hub directly into the USB port on your computer and then attach all your USB devices, such as your digital camera, printer, MP3 player, mouse, and keyboard. All connected devices can operate at the same time.

- Includes an attached USB cable that never gets misplaced—ideal for traveling
- Quickly transfers music and photos—at speeds up to 480Mbps
- Offers Plug-and-Play installation—does not require software
- Comes with a 5-Year Warranty
