Mini-Stereo Audio Cable

**EN**

This Mini-Stereo Audio Cable connects portable audio equipment with mini-stereo jacks, including portable CD players, tape players, CD sound cards, and multimedia speakers.

FR

Ce câble audio ministéréo se connecte à tout appareil audio portable équipé d'une prise ministéréo : lecteur de CD portatif, baladeur à cassette, carte de son CD et enceinte acoustique multimédia.

DE

Dieses Ministereo-Audiokabel dient zum Anschließen portabler Audiogeräte mit Ministereoanschlüssen, z. B. portabler CD-Player, Kassettengeräte, CD-Soundkarten und Multimediaalautsprecher.

NL

Met deze mini-stereogeluidskabel sluit u draagbare geluidsapparatuur met een mini-stereo aansluiting aan, zoals draagbare cd-spelers, cassettespelers, cd-geluidskaarten en multimedialuidsprekers.

ES

Este cable de audio para miniequipo estéreo permite conectar equipos portátiles de audio con conectores de miniequipo estéreo, incluyendo reproductores de CD portátiles, reproductores de cintas, tarjetas de sonido de CD y altavoces multimedia.

IT

Questo cavo audio mini-stereo consente di collegare i dispositivi audio portatili con i jack mini-stereo, compresi lettori di CD portatili, lettori di musicassette, schede audio di CD e casse acustiche multimediali.
