Use**

The PocketTop's unique design allows you to comfortably use your laptop anywhere in your home. This laptop case acts as a mobile workstation and storage for your laptop accessories in the clever pocket. The ultra-portable design also allows you to carry your power supply while it's plugged into your laptop. No more fumbling with your power cord when you move from one room to another. Protect, Open and Use your laptop with Belkin's PocketTop!

The PocketTop comes in three vibrant colors: Green, Orange and Silver

Benefits

- Uniquely designed for comfortable laptop use on a couch, bed or table
- Protect your lap from a hot computer
- Made of durable, hand-washable material
- Lifetime Warranty
- Store and keep your laptop's power supply connected and stored in the pocket
- Works with laptops with 15.4" widescreens or smaller
