Installing Your RK5030ek, RK5031ek, RK5032ek, and RK5033ek Filler Panel

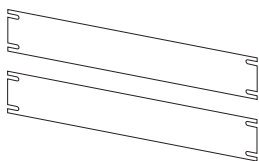

1. Identify hardware required for your application. Your RK2000ek and RK2001ek Racks will require 12-24 screws and your RK1000ek, RK1001ek, and RK1002ek Enclosures will require the M6 hardware.
2. Determine the location where you wish to install your filler panel and attach.
