Instructions:
1. Start by thoroughly cleaning your screen with the included Belkin Cleaning Wipes.
2. Separate no more than a thumbnail's length of the Overlay from its backing, and fold it away until the adhesive side is exposed—be sure not to touch it.
3. Line up the exposed Overlay with the top border of your screen, and slowly run the rest of the Overlay across your screen.
4. Smooth the Overlay onto the screen with the included smoothing card by gently pressing down on it.
