## **Belkin ANZ Welcomes Patrick Domingue as New Managing Director**

(Tuggerah, NSW) – July 31, 2009 – [Belkin Australia & New Zealand](#) today announced the appointment of Patrick Domingue as Managing Director. Effective 20 July, Mr. Domingue replaced Jeremy Attwood, who served as Managing Director for Belkin ANZ for nearly two years.

Mr. Domingue brings a vast amount of Belkin knowledge and experience as well as strong leadership and operational skills. With over nine years in the organization, Mr. Domingue comes to Belkin ANZ from the UK where he served as Belkin's European Director of Operations for nearly three years. His accomplishments include increasing inventory turns by 25 percent, achieving record-high service levels, and reducing returns by over 20 percent. Prior to his UK role, Mr. Domingue led Belkin's Distribution Centre in Indianapolis, Indiana. His passion and strategic leadership will further solidify Belkin ANZ as a leader in the digital connectivity space.

"We are excited to welcome Patrick to the Australia & New Zealand offices of Belkin," comments Eric Tong, VP of Asia for Belkin. "In his various roles at Belkin, Patrick has demonstrated an impressive range of accomplishments resulting from his strong leadership qualities and his focus on process improvement. Patrick's knowledge of best practices combined with his success in scaling our US and European business will certainly enable ANZ to reach new heights."

Previously the Finance & Operations Director, Mr. Attwood has over 10 years of experience with Belkin and has led the ANZ team to achieve fantastic results in driving revenue growth. Mr. Attwood is transitioning to Belkin Europe in Rushden, UK, where he will assume the role of Operations Projects Director.

### **About Belkin International, Inc.**

Belkin offers a diverse product mix that provides people with seamless electronics integration in their homes, cars, and on the go. Founded in California in 1983, Belkin is a privately held company and the recognised leader in connectivity solutions, in addition to accessories for iPod® devices, computers, and more. We provide extensive solutions for networking, home theatre—with our PureAV® line of cables, power, and digital wireless accessories—and many more categories. You can view them at [www.belkin.com/anz](http://www.belkin.com/anz), as well as through a network of major distributors, resellers, and superstores.

Belkin's phenomenal growth has led to our expanding global presence. In addition to corporate headquarters in Los Angeles, we now have offices throughout Europe—in the United Kingdom, the Netherlands, and Germany, among others—and in the Asia Pacific region, including Australia, Shanghai, and our regional headquarters in Hong Kong.
