Belkin FlyThru Perfect for travellers that want to FlyThru security bag checkpoints

(Tuggerah, NSW) – August 10, 2009 – Things are getting easier at the airport—with Belkin’s FlyThru, you no longer need to take your laptop out of the bag in the security line. This revolutionary new bag isolates your laptop on one side, and the clear window makes it easy for airport security to identify it. Just unzip the bag and lay it flat. Keep your other personal belongings away from the laptop and you should get the all clear. Enjoy your flight!

Features

- Secure compartments to organize your accessories while traveling
- Clear window over laptop compartment for visibility
- Designed with minimal metal zippers and hardware for checkpoint screening clarity
- Comfortable shoulder padding with removable strap
- Sized for both standard and widescreen laptops up to 15.4"
- 1-Year Warranty

About Belkin International, Inc.

Belkin offers a diverse product mix that provides people with seamless electronics integration in their homes, cars, and on the go. Founded in California in 1983, Belkin is a privately held company and the recognized leader in connectivity solutions, in addition to accessories for iPod® devices, computers, and more. We provide extensive solutions for networking, home theatre—with our PureAV® line of cables, power, and digital wireless accessories—and many more categories. You can view them at www.belkin.com/anz, as well as through a network of major distributors, resellers, and superstores.

Belkin’s phenomenal growth has led to our expanding global presence. In addition to corporate headquarters in Los Angeles, we now have offices throughout Europe—in the United Kingdom, the Netherlands, and Germany, among others—and in the Asia Pacific region, including Australia, Shanghai, and our regional headquarters in Hong Kong.
