**About Belkin International, Inc.**

Belkin offers a diverse product mix that provides people with seamless electronics integration in their homes, cars, and on the go. Founded in California in 1983, Belkin is a privately held company and the recognized leader in connectivity solutions, in addition to accessories for iPod® devices, computers, and more. We provide extensive solutions for networking, home theatre—with our PureAV® line of cables, power, and digital wireless accessories—and many more categories. You can view them at [www.belkin.com/anz](http://www.belkin.com/anz), as well as through a network of major distributors, resellers, and superstores.

Belkin's phenomenal growth has led to our expanding global presence. In addition to corporate headquarters in Los Angeles, we now have offices throughout Europe—in the United Kingdom, the Netherlands, and Germany, among others—and in the Asia Pacific region, including Australia, Shanghai, and our regional headquarters in Hong Kong.
