

## TuneCast Auto 3

### Listen to your iPod in the car.

Now with ClearScan, automatically find the clearest FM station. TuneCast Auto 3 lets you listen, charge and play your iPod at the same time in the car. Avoid the frustration of manually finding a clear FM station. ClearScan technology quickly scans and finds the best FM frequency all with one push of a button. Cut through the static with ClearScan for improved FM transmission giving you a crisper, cleaner audio performance.

### Benefits

- ClearScan technology quickly scans and finds the best FM frequency with one push of a button. The scanning is done in the background so the music interruption is minimal.
- Delivers best-in-class audio
- Charges your iPod with integrated auto power charger
- PRO setting to instantly manage volume and gain output
- Two single touch, programmable pre-set buttons
- High contrast backlit display
