

Belkin Hi-Speed USB 3-Port Low Profile PCI Card - F5U219ukLP

This USB Low Profile PCI Card from Belkin adds three Hi-Speed USB 2.0 ports to your low profile computer, bringing with it astounding 480Mbps transfer speed. Now you can connect a virtually limitless number of USB devices, with Plug-and-Play simplicity. Offering a bandwidth 40 times greater than USB 1.1, it is the ideal interface for transferring extremely large amounts of data from USB 2.0-compliant products, such as real-time video cameras, scanners, portable drives, and others. Installation is easy -- simply slide the card into your low profile PC's free PCI 2.1 slot. The Card works with Windows 98@ SE or higher.

Lifetime Warranty
