## Voice Recorder for iPod w/ Dock Connector

The Belkin Voice Recorder presents a great solution for iPod users who have something memorable to say. Now you can record memos, lectures, interviews, or conversations—simply by plugging the Voice Recorder into your iPod. The iPod's abundant storage capacity lets you store hundreds of hours of high-quality audio. You can easily review your audio notes using the built-in speaker, your earbud headphones, or your computer. You can also copy recordings to your desktop or notebook computer for storage, editing, or sending to others via e-mail. Your Voice Recorder also works as a travel alarm clock. The Belkin Voice Recorder brings a whole new dimension to your iPod—it's not just for tunes anymore.

### Benefits

- Records personal memos, notes, and interviews easily, on the go, with high-quality, omnidirectional microphone
- Comes with a lifetime warranty
- iPod creates audio files in mono (true) WAV FORMAT
- Works with iPod software version 2.1 or later
- Packs and travels easily with ultracompact design; includes protective storage cap
- Requires no software installation, with Plug-and-Play technology; support is already built into the iPod
- Indicates recording status of Voice Recorder with LED indicator
- Attaches securely to your iPod through remote/headphone connector
- Features 16mm speaker for quick playback
