## TuneDok In-Car Holder for iPod

The Belkin TuneDok makes it easy to take along your iPod and play tunes in your car. Simply place your iPod into the TuneDok and let our AirGrip suction-cup functionality hold it in position for easy access. TuneDok provides security and stability, along with flexible construction for a perfect fit in your car's cup-holder console. With its innovative height-adjustment capability, our ratcheting neck feature lets you reposition your iPod easily. The cable-management clip eliminates loose and tangled cords-and this helps keep your iPod experience as simple as ever.

### Benefits

- Features innovative AirGrip® technology for secure placement
- Provides a large and small rubber base and adapter cup for exact fit and stability in your car's cup holder
- Repositions easily with ratcheting screw neck
- Includes a discreet cable-management clip
- Comes with a Belkin 3-Year Warranty
- Works with both original and 3G iPods
