

ClearScreen Overlay for Palm Tungsten W/C - F8P5702ea

Belkin ClearScreen overlays add a clear protective shield to your Palm Tungsten W/C handheld series screen most fragile component—the screen! Each razor-thin sheet reduces glare and affords your stylus with a smoother navigating surface while providing a tough layer of protection.

Product Features:

- 12 razor-thin polymer sheets, cleaning cloth, and Smoothie Card
- Included lint-free cleaning cloth and Smoothie applicator
- Attaches smoothly with self-adhering surface; leaves no residue when removed
- Fits your handheld's LCD screen perfectly, by design
- Protects against scratches, grime, and fingerprints; eliminates glare
