

Nostramo™ SpeedPad n52 - F8GFPC100ea

Built to conquer your enemy, the Nostramo SpeedPad n52 captures all the advantages of its critically acclaimed predecessor, the n50, and cranks up the juice with advanced options to dominate your game. It puts keyboard and gamepad functionality into one small and easy-to-use device, delivering more tools for customizing your game than ever. Using feedback from hundreds of gamers, our engineers designed the n52's intuitive nature and stylish versatility to give you easy access to your arsenal of deadly maneuvers. So start programming up to 104 functions now-and watch how dangerous you become.
