

FireWire Notebook Adapter - F5U513vea1

The FireWire Notebook Adapter from Belkin brings the speed of FireWire to your notebook computer, quickly and easily. The best solution for adding FireWire capability to Windows-based notebooks, the Adapter enhances peripheral connections with speed, accuracy, and ease. It works seamlessly with your iPod, camcorder, and many other FireWire and Sony iLINK devices. Simply slide it into an available 32-bit, Type II CardBus slot on your notebook computer, and plug in your devices through three ultrafast FireWire ports.

Lifetime Warranty
