

Non-IEEE Parallel Printer Cable with Right Angle Connectors (A/B) - 1.8m - F2A034b06

This Non-IEEE Parallel Compliant Printer Cable with Right Angle Centronics Connectors links your printer to your PC. Featuring our exclusive wiring design and cable technology that guarantees optimal performance and data transfer.

Product Features:

- Links your printer to your PC
- Belkin Lifetime Warranty
- State-of-the-art-wiring design ensures 100% compatibility with all devices 100% of the time
- Gold-plated copper contacts provide maximum conductivity and keep data loss to a minimum
- Ground indents provide excellent conductivity and retention with mating conductors
- Oversized ergonomic thumbscrews make installation a breeze
- Molded strain relief and PVC overmolding to ensure a lifetime of error-free data transmission
- PVC premold encapsulates individual conductors to ensure electrical isolation and relieve stress
- 28 AWG stranded tinned copper conductors are individually insulated in polypropylene to minimize cross talk, ensuring high-speed, error-free transmission
