

## S-Video and Audio Cables Kit

This Kit provides ideal connections for your DVD, VCR, TiVo® system, TV, or, satellite. It offers exceptional quality in both cables: RCA Audio connects your equipment for better sonic accuracy and more detailed sound, and S-video separates brightness from colour using two separate conductors to create clean, accurate signals.

AV22101qp12

### Benefits

---

- Delivers better audio clarity and a more natural-sounding midrange with superior-grade, 99.99%-purity copper conductors
- Maintains signal integrity, 75-Ohm impedance, and a more realistic stereo image using precision-formulated, polyethylene dielectric material
- Creates precise contact with a split-tip centre pin and 6-cut, corrosion-resistant RCA connector
- Delivers maximum bandwidth with 75-Ohm coaxial construction
- Outstanding Signal-To-Noise Ratio
- Provides maximum isolation from electromagnetic and radio frequency interference with double-shielded construction
- Isolates noise with 100%-coverage aluminum/Mylar foil shield
- Creates a second layer of protection with tinned, copper-braided or spiral shielding
- Eliminates the corrosion that is common in bare, copper-braided or spiral shielding
