

Speaker and Headphone Splitter - F8V234eaGLD-APL

Belkin audio video accessories offer a variety of ways to expand and upgrade stereo and home theater systems. Our Speaker and Headphone Splitter lets you connect two stereo headphones or speakers to the same mini-stereo jack on your portable CD, MP3, DVD player, or your iPod device. Simply plug the Splitter into the headphone jack of your iPod or other portable stereo device, then plug two sets of headphones into the Splitter's ports, and you're ready to go.

Lifetime Warranty
