

USB Lighted Cable, Red, 6 feet (1.8m) - F3U144ea06-RED

Belkin brightens up your desktop with our new USB Lighted Cables series, designed to provide you with top-level, error-free performance for reliable data transfers. This great new cable features A-to-B connectivity and builds in a special, low-power-consumption, super-bright LED that lights up the connector plugs in one of four colors. Perfect for easily locating the right connection point whenever you need it, the USB Lighted Cable brings a whole new meaning to the brilliance of Plug-and-Play simplicity.

Características del producto:

- Connects all your peripheral devices with a USB standard B plug to your computer or USB hub
- Installs and works with the ease and speed of USB
- Works with Hi-Speed USB 2.0 devices for high-speed data transmission
