

PureAV™ RCA Audio Cable - AV50300ea

RCA Audio connections are used in nearly all consumer AV devices, and provide one RCA connection for each the left and right audio channels.

PureAV Silver Series RCA Audio Cables give you exceptional clarity and a more natural-sounding midrange using superior-grade materials and advanced technologies.

Características del producto:

- Drastically reduces signal distortion for unrivaled audio clarity using 99.9997% oxygen-free, PCOCC conductors and high-purity, silver solder joints
- Optimizes performance at all frequencies for consistent, exact sound reproduction using hybrid-conductor technology
- Maintains stronger signals that yield superior sonic accuracy with precision-formulated, polyethylene dielectric material
- Isolates from outside noise for superior clarity through double-shielded construction
- Protects against wire damage for consistently high-quality audio with integrated strain relief
- Creates precise contact for low loss with split-tip, center-pin, and 8-cut, 24k gold-plated connectors
- Provides comfort and ease of install with non-slip rubber grip and integrated color-coding
