

Belkin Mouse Pad - F8E089-BLU

A racecar on a dirt road or a junker on a paved highway - they'll run pretty much the same. Just like your mouse. That's why Belkin offers your mouse the smoothest, fastest, most controlled ride on the block. So whether it's a racecar or a junker - it'll run better. Belkin takes the standard mouse pad and adds a natural rubber non-slip backing and a durable jersey surface for excellent point-and-click accuracy.

Características del producto:

- Available in a variety of colors.
- Durable jersey material provides an optimal mouse surface.
- Neoprene non-slip backing for more mouse control.
- Provides excellent point-and-click accuracy.
