

USB Media Reader/Writer for SmartMedia - FSU141ea

Now you can transfer files easily between your PC or Mac and your MP3 player, cell phone, handheld, and digital camera. The Belkin USB Reader/Writer for SmartMedia lets you drag and drop files, images, and music for editing and storage on your computer. Transfers speeds of up to 1.2MBps let you move your files 40 times faster than through a serial port and without draining the batteries of your device. This reader includes a dedicated slot that accommodates SmartMedia Cards.
