

## Outside Corner, 4-pack - F4D497-WHT

They're coming round the outside corner! CAT 6 is in the lead! Think of it as the outside bend on a racetrack. Where lightning-quick cables swerve through the Raceway System, safely maintaining their super speeds. The Outside Corner in white allows the Raceway track to make a 90-degree bend around the outside corner of a wall, suitable for  $\frac{1}{2}$  Raceway.

### Características del producto:

---

- $\frac{1}{2}$ " width for most home and office applications.
- Easy access to cables without stress, cracking, or discoloration of the Raceway.
- Allows CAT 5, CAT 5e, and CAT 6 cables a 1-inch or greater bend radius for the least cable stress.
