Características del producto:

- Ground indents provide excellent conductivity and retention with mating conductors.
- PVC premold encapsulates individual conductors to ensure electrical isolation and relieve stress.
- Molded strain relief and PVC overmolding to ensure a lifetime of error-free data transmission.
- 28 AWG stranded tinned copper conductors are individually insulated in polypropylene to minimize cross talk, ensuring high-speed, error-free transmission.
- A Belkin certified lifetime warranty.
- State-of-the-art-wiring design ensures 100% compatibility with all devices 100% of the time.
- Oversized ergonomic thumbscrews make installation a breeze.
- Gold-plated copper contacts provide maximum conductivity and keep data loss to a minimum.
