

HP iPAQ Car Cradle - F8U0802eaHP

The HP iPAQ Car Cradle makes it easy to access your Pocket PC on the road or in your office. Simply place your HP iPAQ into the Car Cradle and let our flexible cradle hold it in position for easy access and visibility. The Car Cradle provides security and stability, along with flexible construction for a perfect fit in your car's cup-holder console. The versatile design also allows you to switch your cup's position and utilize the Car Cradle on your desk. With its innovative height-adjustment capability, our flexible neck feature lets you reposition your device easily.
