

HP iPAQ Screen Overlays - F8Q0706eaHP

HP iPAQ Screen Overlays add a clear, protective shield to your HP iPAQ screen, preventing damage or scratches. They also reduce glare and provide a smoother navigating surface for your stylus.

Product Features:

- Includes 12 razor-thin polymer sheets
- Protects against scratches, glare, and grime
- Applies easily with self-adhering surface
- Includes cleaning cloth and applicator card
- Please consult for compatibility wizard
