

## TuneSync for iPod® - FSU255uk

The latest innovation from USB leader Belkin integrates an iPod dock with a five-port USB 2.0 hub. With its slim and elegant design and top-load dock, this product saves your valuable desktop space. It adds a convenient stereo-out jack that lets you listen to your music by connecting your stereo, powered speakers, or headphones while the iPod charges. Designed to work seamlessly with all your USB 1.1 and USB 2.0 devices, the Belkin TuneSync for iPod lets you connect up to five USB 2.0 devices, such as your printer, scanner, hard drive, digital camera, thumb drive, media readers, and more to your computer. LEDs monitor your device activity for master power status and all port activity.

3 Year Warranty
