

## RJ45 FastCAT™ 5e Patch Cable, 2M (6.5 feet), blue, Snagless Molded - CNP5LS0aed2M

What is a Category 5e patch cable? Think of it as the street that links the houses on your block and all the destinations in town. In actuality it's a cable that connects all the hardware destinations on a Local Area Network (LAN). The RJ45 Fast CAT5e cable provides extra headroom over the standard CAT5e cable and is perfect for use with 10 and 100 Base-T networks. Complete with RJ45 male-to-male connectors and a snagless molded strain relief.

### Product Features:

- Exceeds the performance requirement of Category 5e.
- Perfect in conjunction with 10 Base-T and 100 Base-T networks.
- 50-micron gold plated connectors to ensure a clean and clear transmission.
- This product is guaranteed for life!
- Snagless molding protects the RJ45 tap from being damaged during installation.
- PowerSum tested.
- Extra headroom over standard CAT 5e cables.
