

SleeveTop - Orange - F8N042eaORG

Use it. SleeveTop allows you to easily open and use your laptop without removing your laptop from the case.
Protect it. This case not only protects your laptop when not in use, but protects your lap from heat when your laptop is in use!
Handle it. When you want to move your laptop, the SleeveTop makes it easy to transport room to room with the convenient handles.

Product Features:

- Uniquely designed for comfortable laptop use on a couch, bed or table
- Close to protect your laptop when not in use
- Open and use quickly, never need to remove your laptop from the case
- Protect your lap from a hot computer
- Made of durable, hand-washable material
- Lifetime Warranty
