

Silver Series HDMI to HDMI Cable

HDMI (High-Definition Multimedia Interface), the future of HDTV, enables delivery of both high-definition video and multichannel, digital audio through just one cable. It offers an ideal way to connect digital displays such as HDTVs, plasma displays, LCD TVs and projectors. HDMI also provides an all-digital connection between such source devices as DVD players/recorders, digital set-top boxes and AV receivers.

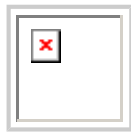

Available: 4ft / 8ft / 16ft / 30ft / 50ft

Benefits

- 24k gold-plated connectors create precise contact for low loss
- Integrated strain relief, protects against wire damage for consistently high-quality audio
- Non-slip rubber grip and integrated colour coding, provide comfort and ease of install
- Ferrite inductor block, protects against unwanted interference
- Impedance-matched construction, reduces loss and increases bandwidth
- Abrasion-resistant flexible PVC jacket, maintains integrity, even when bent
- Five-layer shielding isolates from outside noise for superior clarity
- Precision-formulated polyethylene dielectric material, maintains stronger signals that yield superior sonic and video accuracy
- Silver-plated conductors, deliver best high-frequency response for optimal resolution

Product Code

AV52300qp
