

## Tunecast Auto with ClearScan - F8Z343ea

With ClearScan, you can automatically find the clearest FM station. TuneCast Auto with ClearScan lets you listen, charge and play your iPhone or iPod at the same time in the car. Avoid the frustration of manually finding a clear FM station. ClearScan technology quickly scans and finds the best FM frequency all with one push of a button. Cut through the static with ClearScan for improved FM transmission giving you a crisper, cleaner audio performance.

### Product Features:

- ClearScan technology quickly scans and finds the best FM frequency with one push of a button. The scanning is done in the background so the music interruption is minimal.
- Radio Data System (RDS) for the display of artist and song title on car stereo screen
- Delivers best-in-class audio
- Charges your iPhone or iPod with integrated auto power charger
- PRO setting to instantly manage volume and gain output
- Two single touch, programmable pre-set buttons
- High contrast backlit display
