

## Laptop and HDTV Cleaning Kit - F5L034ea

Safely clean your LCD and HDTV monitors

### Product Features:

- Alcohol-free - ensuring no damage to the delicate finish on today's high end displays
- Low-viscosity gel - reduces overspray and running which can damage internal components
- Antistatic - reduced static build-up ensures lower attraction of airborne dust and grime
- Residue free - wipes completely clean, leaving no streaks, residue or build-up
- Microfiber cleaning cloth included – for professional scratch-free maintenance of screens and lenses
