

Travel USB Hub - F4U006uuk

Nearly all your accessories utilise a USB connection to your computer. Featuring a compact design, the Belkin Travel USB Hub conveniently adds four USB ports to your laptop when you're on the go.

Product Features:

- Adds four Hi-Speed USB 2.0 ports with transfer speeds of up to 480Mbps
- Attached USB cable eliminates the need to carry a separate USB cable when you travel
- Lightweight, compact design allows you to tuck this hub easily into any pocket of your laptop bag
