

Save space
and protect
valuable equipment

Designed to be inconspicuous, Belkin's Compact Surge Protector safeguards your electronics against damaging power surges. The small-footprint design allows the surge protector to be placed easily against a wall, under a desk, or behind your lounge. This unique product keeps cables tidy and organised for a clean and compact appearance.

Lifetime Product Warranty

Belkin will replace, free of charge, any Belkin surge protector that is defective or expires after protecting your electronic devices. There is no limit to the number of times Belkin will replace the expired surge protector. You only need to purchase the product once.

Connected Equipment Warranty

Belkin will repair or replace any equipment damaged by a surge, spike, or lightning strike while properly connected to a Belkin surge protector.

Data Recovery Warranty:

If this Belkin product fails while properly connected and your hard drive is damaged, we will provide professional data recovery services to recover lost data. This service will be performed by our partner Seagate Recovery Services.

Technical Specifications

Maximum Energy Disipation:	1870 Joules
Telephone Line:	320 Joules
Maximum Spike Current:	49,500A
Maximum Spike Volts:	6000 volts
Response Time:	<1 nanosecond
EMI/RFI Noise Filtration:	150KHz-100MHz
	Up to 60 dB reduction
Product Dimensions:	120mm H x 280mm W x 115mm L
