

BELKIN® Conceal Surge Protector

Protect your electronics and eliminate cable clutter

Conceal organizes cables and keeps them out of view with a unique closing cover. Designed to safeguard connected electronics, computers, and appliances, this innovative surge protector can sit on the floor, out of the way, or out in the open. Cords remain organized and secure in their sockets, and outlets stay out of reach of kids and pets.

This new design features seven electrical outlets to protect most electronic equipment from damaging power surges.
