Universal Hands-Free Kit

In-Car Phone Holder & Hands-Free Unit

Designed to work with Nokia*, Samsung**, Sony Ericsson, Siemens, Motorola, Panasonic, Sharp, Alcatel, Sagem and NEC phones, the Belkin Mobile Phone Kit allows you to secure your mobile phone and Hands-Free while driving. The Vent Mount attaches to the vent in your car's dashboard, allowing you to drive and talk on your mobile phone safely. The Portable Straight Boom Hands-Free also has a convenient, noise-cancelling feature that removes all background noise, allowing you to communicate more clearly.

The Belkin Mobile Phone Kit also comes with 6 easily interchangeable Hands-Free connectors enabling you to use the Hands-Free headset with all compatible mobile phones. Please see below for complete listing.

* Except for Nokia N-Gage and 9210/9210(i)

** Samsung SGH-A100, A110, A300, A400, A500, C100 series and compatible mobile phones only
