BELKIN®

PURE|AV

Home Theater USB 2.0 Cable

Transfer high-quality audio video from your digital devices to a computer

Designed for high-end digital devices, this Home Theater USB 2.0 Cable provides superior performance for transmissions between your PC or Mac® computer and your USB entertainment components—such as Dolby® Digital 5.1 external sound cards, digital satellite receivers, MP3 players, USB speakers, sound cards, storage devices, and hubs. This Cable features the most commonly used USB connectors, A-to-B, and provides exceptional, ultrafast transfer of your audio video content.

The Purest Picture and Sound.

24k gold-plated connectors create precise contact for low loss

Impedance-matched construction reduces loss and increases bandwidth

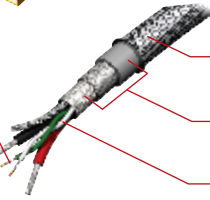

Silver-plated conductors deliver best high-frequency response for optimal resolution

99.99% oxygen-free, solid-copper conductors and high-purity, silver solder joints drastically reduce signal distortion for unrivaled audio and video clarity

Integrated strain relief protects against wire damage for consistently high-quality audio and video

Non-slip rubber grip and integrated color-coding provide comfort and ease of install

Abrasion-resistant, flexible PVC jacket maintains integrity, even when bent

Triple-layer shielding isolates from outside noise for superior clarity

Precision-formulated, polyethylene dielectric material maintains stronger signals that yield superior sonic and video accuracy

BELKIN LIFETIME PRODUCT WARRANTY. For the life of the product, Belkin warrants that this product shall be free of defects in design, assembly, material, and workmanship (free replacement).
