## Switch2 for Mac® mini

Two computers. One monitor. No problem.

It's simple. Switch2 for Mac® mini lets you share one monitor, keyboard and mouse between your Mac mini and another PC or Mac computer. You can easily switch access from one computer to the other with a simple press of the button. Designed to organize and save your desk space, Switch2 stacks neatly under your Mac mini. Connect your speakers to Switch2 and use them with both computers—without unplugging and reconnecting them each time you switch. Setup is a breeze: Switch2 for Mac® requires no additional cables or software for installation.

Features Hi-Speed USB 2.0 technology.

Touch-sensitive buttons easily eject CDs and adjust volume on your Mac mini

Built-in cables reduce desktop clutter

Audio support allows you to share speakers between both computers

**For:**  
Mac mini
