Work in comfort and stay cool with Belkin's stylish new CushDesk

- ***As a portable and stable work space, CushDesk offers comfort and convenience for laptop use at home***
- ***CushDesk's slim design allows for easy storage anywhere in your home***

(Northants, UK) – 20 May, 2009 – Belkin's newest laptop stand, CushDesk, is designed to keep your legs cool and provide a comfortable and stable work space so you can use your laptop anywhere in the home.

CushDesk's solid moulded top provides a smooth and sturdy surface and is designed with a slight angle so you can view your laptop screen at the most comfortable angle. CushDesk's stylish slim design also means it can be easily stored out of sight anywhere in the home.

CushDesk (F8N143ea) - £17.99

- Easy to clean and store
- Available in espresso/fuchsia and espresso/dark sky
- Compatible with PC and Mac® laptops with up to a 17-inch display

AVAILABILITY

- CushDesk is available now in the UK

About Belkin

Belkin – www.belkin.com – offers a diverse product mix that provides people with seamless electronics integration in their homes, cars and on the go. Founded in California in 1983, Belkin is a privately held company and the recognised leader in connectivity solutions, in addition to accessories for iPod devices, computers and more. We provide extensive solutions for networking, home entertainment – with our PureAV line of cables, power and digital wireless accessories – and many more categories.

Belkin's phenomenal growth has led to our expanding global presence. In addition to corporate headquarters in Los Angeles, we also have offices throughout the Asia Pacific region. Belkin's European headquarters are located in the UK, with further offices in Denmark, France, Germany, Italy, the Netherlands, Spain, Sweden and Dubai (UAE) dedicated to their regional markets.
