Belkin launches consolidated range of new power adaptors for your netbook and laptop

(Rushden, UK) - 6 November, 2009 – Belkin, the leading provider of power accessories for your netbook and laptop has today announced the launch of a new range of power adaptors for the home, office and for travel. The new range of 40 and 90 watt adaptors offer netbook and laptop users an ideal secondary or replacement power solution for home or office use and for on the go.

Belkin's netbook power adaptors have a compact, slim and lightweight design making them easy to carry, and 5 different interchangeable tips which work with a variety of brands such as Asus, Acer/Dell, Hp, Samsung, and Toshiba. The adaptors also include an additional 5V USB power/charging port for mobile devices such as phones and MP3 players. All the adaptors have built-in over/under and short circuit protection to prevent computer damage in the event of a short circuit.

Belkin 40W Home/Office Netbook Power Adapter (F5L064qq/uk) - £39.99/€49.99

Belkin 40W Travel Netbook Power Adapter (F5L065qq/uk) - £49.99/€59.99
