About Belkin

Belkin – www.belkin.com – offers a diverse product mix that provides people with seamless electronics integration in their homes, cars and on the go. Founded in California in 1983, Belkin is a privately held company and the recognized leader in connectivity solutions, in addition to accessories for iPod devices, computers and more. We provide extensive solutions for networking, home entertainment – with our PureAV line of cables, power and digital wireless accessories – and many more categories.

Belkin's phenomenal growth has led to our expanding global presence. In addition to corporate headquarters in Los Angeles, we also have offices throughout the Asia Pacific region. Belkin's European headquarters are located in the UK, with further offices in Denmark, Poland, Czech Republic, Hungary, Turkey, Russia, France, Germany, Italy, the Netherlands, Spain, Sweden and Dubai (UAE) dedicated to their regional markets.
